## BABSON DISCUSSES HEALTH

(Exclusive NEWS Feature)

An article in "Reader's Digest" for January by J. D. Rateliff causes me to write on a subject which has tempted me for some time.

### HEALTH OF COMPANY EXECUTIVES

After forty years, during which I have studied company earnings, I am convinced that a definite relationship exists between the earnings of a corporation and the health of its officials. Most cases which I have studied to ascertain the reason for a company's declining business in a growing industry have shown the answer to be in the failing health of the President or of the Sales Manager or of some other top official!

A man may be able to go to the office each day and put in his eight hours; he may answer his mail and preside at all required meetings; but he may have no pep or zest for doing any extra work. Companies which do not go ahead by extending their lines or their territories are going backward. This is very likely to be true of a company whose top official is not in A-1 health.

### CAUSE OF POOR HEALTH

According to the above-mentioned article, the basic cause of most illness is stress and strain. The doctors talk about bacteria, viruses, (Continued On Page Ten)

Artist's conception of the new school, gymnasium-auditorium to be constructed at the Immaculate Conception Parish. The Parish serves East Arlington, North Cambridge, and West Somerville.

## Immaculate Conception Church To Hold \$200,000 Building Fund Drive

A capital building fund drive, with a minimum goal of \$200,000, was announced at all the Masses on Sunday, January 30, by Rt. Rev. Msgr. Cornelius T. H. Sherlock, Pastor of Immaculate Conception Roman Catholic Church in North Cambridge.

The intensive drive is being conducted to defray current costs of a \$490,000 school addition and auditorium-gymnasium.

Msgr. Sherlock outlined the need for larger school facilities due to increasing enrollments and a much needed auditorium-gymnasium to be utilized as a parish center. The new building, presently under construction, will include five new classrooms, featuring a modern cafeteria, medical and teachers' rooms. This expansion will bring the total number of classrooms to sixteen, providing adequate facilities for some 800 pupils.

Completing the unit will be the auditorium-gymnasium. This building, a new focal point of parish family life, will have a seating capacity of 950 persons. It will feature a large stage, complete with dressing rooms, modern lighting and sound conditioning, in addition to a regulation basketball court.

The exterior, finished in grey buff colored brick and limestone trim, will blend in harmony and design with the existing parish buildings.

Msgr. Sherlock also stressed the importance of enlistment of volunteer workers to bring the campaign facts to the North Cambridge, West Somerville and East Arlington areas which are included in the parish.

Msgr. Sherlock will be the speaker at the PTA celebration of Founder's Day, Tuesday night, February 8, at 8 p.m. The speaker will be Miss Betty Jolley, a teacher from the Crosby School, who will tell of her teaching experiences; she will show slides.

Mrs. John Pitko, State Chairman of Founder's Day, will bring Founder's Day greetings. Mortimer French, chairman of the Florence avenue building committee, will speak about plans for the Florence avenue school.

The refreshments will be served by the fourth grade mothers under the direction of Mrs. M. Muello.

## Representatives Of 5 Towns To Attend Monday Meeting

First steps toward the possible alleviation of drainage problems in the area of Craddock Dam, Upper and Lower Mystic Lakes and Alewife Brook areas could result from a meeting to be held at 7:45 Monday night among officials of Arlington, Woburn, Medford, Winchester and Lexington and Benjamin Finks, Director of Division Parks and Engineering of the MDC. It has also been learned that MDC Commissioner Greenough also planned to attend but will be unable to because of injuries sustained in a fall Tuesday.

Also present at the meeting will be the local senator and representatives of the area who have already signified their intentions of doing everything possible to help correct the existing poor drainage conditions.

The purpose of the coming meeting is to gain a form of joint and united action among the towns involved.

The NEWS has learned that the MDC has been requested to authorize a study in connection with the drainage situation similar to the study undertaken of the Spot Pond Drainage System concerning the lowlands along several brooks in Stoneham, Malden and Melrose.

Concerning that study services of consulting engineers were obtained to assist the Commission in making studies and preparing a detailed report regarding the im-

provements which should be made in the Spot Pond Drainage Area tributary to the Saugus Branch Brook, in order that the specific recommendations could be made in a session of the legislature regarding steps to be taken to permanently alleviate the flooding of lowlands.

Concerning the drainage situation in the Alewife Brook area which was undergoing fact-finding study at the time, Mr. Greenough in a letter to Town Manager Monahan last September said: "Unfortunately the situation is not one that can be cured quickly and I might add that according to reports made to me, that the trouble, at least in part, is due to the fact that Arlington mixes storm drainage with sewage in its sewers. Under these conditions the enormous increase in volume immediately following heavy storms inevitably causes the sewers to flood."

Arlington has been interested in holding some sort of conference concerning the drainage problem for quite some time now and has sent a copy of the most recent Town Report, emphasizing the engineer's report on the Craddock Dam situation, to the MDC Commission.

The Town is definitely interested in solving the drainage problems which have been dragging along for quite some time now.

## "Wings In My Garden"

By Esther E. Ladd

"Wings in my Garden" by Miss Esther E. Ladd will be the subject of a lecture at the February 9 meeting of the Arlington Garden Club. A Valentine Tea will be served at 1:00 p.m.

Miss Ladd, widely known lecturer, will tell how she made plantings and provided food to attract birds in her own garden. She has had 81 varieties of birds; she has maintained a feeding station for 20 years, and had also done banding for the biological service. Her experience with birds has been wide, and she has had a recent visitor to her garden which has not been seen since 1850 in New England. This bird is known as the Orange Oregon Junco, and she reports that it is now being seen sporadically by other bird watchers.

Miss Ladd originally planned to speak on "Plantings for Butterflies," but some of the members heard her lecture on birds and asked for a repeat performance.

## Trinity Baptist Church Holds Annual Meeting and Dinner

Trinity Baptist Church held its Fifteenth Annual Meeting and Dinner, Wednesday night, January 19, at 6:30 p.m. with 39 members present.

After the devotional period the report of last year's meeting was read by Miss Florence McGregor, assistant secretary, and reports were given by the collector, treasurer, benevolent treasurer, renovation committee and the auditor.

A motion was made by Deacon Harold Harlow that "On this its 15th anniversary Trinity Baptist Church does honor Robert M. Boyd and Harry A. Earle, for long, meritorious and distinguished work for the church, that they be made Deacons for life." This is the church's highest honor.

A standing ovation was given to Mrs. Jennie Carter in recognition of her 75th birthday which happened to fall on the date of the annual meeting.

Mention was made of the fine service rendered to Trinity by the local newspapers, and of the police service and protection. Thanks were also given to Mrs. Katherine Higgins for her outstanding work on the annual reports.

After a short talk and thanks by the Pastor the meeting was brought to a close.

## Honor Miss Beane At Zonta Club

Following the tradition of Zonta International in observing Amelia Earhart Day, the Zonta club of Arlington held a dinner meeting, January 27 at the Winchester Country Club.

Honor guest of the evening was Miss Beverly Jane Beane, winner of the 1954 Amelia Earhart Graduate Scholarship award in Aeronautical Engineering.

The Arlington club extended Miss Beane its invitation to be a "guest-member" during her scholastic residence in the Boston area. She spoke briefly to the club, relating how she had come to better appreciate the world wide influences of Zonta, since she had received her award and had been developing her acquaintance among Zonta members in many clubs where she had been invited as a guest.

The speaker of the evening was Mr. Albert Sweet, District Sales Manager of Northeast Airlines, the airline serving particularly Amelia Earhart's home territory. A principal stockholder and director of Northeast Airlines is Jacqueline Cochran, noted woman pilot, member of the Zonta Club of New York, and personal friend of the late Amelia Earhart. Mr. Sweet talked on the subject "A New Lift for New England."

## Ashton Sees Two Platoon Threat At Junior Highs

Parents of children at the Hardy and Crosby schools, already incensed over the inadequacy of two-platoon schooling, may find this same problem when their children reach Junior High School, according to a statement this week by David J. Ashton of 84 Oakland avenue, candidate for School Committee.

"Unless prompt measures are taken to enlarge our Junior High Schools, September 1956 will almost certainly see double sessions at both the Junior High East and Junior High West," Ashton said. "The only alternatives involve classes in corridors and lunch-rooms, or substantial curtailment of curriculum, any of which means inferior education."

"It is the duty of the School Committee to make these needs known, both to the general public and to the Town Meeting Members. Poor public relations have been costly in the past."

"The School Committee must also present a program which is carefully conceived, financially sound, and geared to the years ahead. Once the Town Meeting Members have the facts, I am confident that they will vote to provide the necessary facilities."

"As an educator with a background in business and municipal finance, I believe that I have the qualifications to help carry out this all-important work. I urge every voter to have this in mind when he casts his ballot on March 7."

## Arlington Man Dead In Crash

Raymond Shepherd Jr., 28, 75 Coolidge street, Arlington, died Sunday morning a few hours after he was pinned beneath his car, at the intersection of Lexington road and Route 3 in Woburn.

Shepherd was trapped beneath the car when it overturned at the intersection of the two roads at 2 a.m. Sunday morning. He was taken from the wreck by Woburn police and rushed to Choate Hospital where he died about 5 hours later.

Funeral services were held at the Kings Chapel, Tremont street, Boston, February 1, at 1:30 p.m.

More than one hundred adults and children attended the Men's Club Family Night held in Saint John's Parish Hall January 27. After a baked ham dinner served by the Menotomy Group, Gilbert H. Merrill, Assistant Director of Education of the Boston Museum of Science, presented and entertained in an informative program featuring both live and stuffed specimens.

The January meeting of the Couples Club held at Saint John's Episcopal Church on Saturday night began with a smorgasbord supper under the direction of the Walter Carlsons, assisted by the Jim Wilsons and the George Rieses. A Yankee Swap followed, with Bill Bogardus in charge.

On Sunday morning parents of Church School Upper Juniors attended a session of the class, which is taught by Alice Einstein, Barbara Bunnell, Ann Trowbridge and Richard Cooke.

The By-Laws committee met on Tuesday evening at the home of Elmer E. Barber on Brantwood road.

A meeting of the Executive Committee, with Chairman W. Dale Barker presiding, was held at the church on Wednesday evening. The committee met to act upon recommendations of the By-Laws committee and to arrange for the call of a Special Meeting of the Church to vote upon proposed changes.

The Rev. Baldwin W. Callahan, Missions Secretary of the Mass-Congregational Conference, will be the speaker at a meeting of the Anna Bradshaw Guild to be held in the church vestry on Monday, February 7, at 1:30 p.m. The Churchill Group will be hostesses for the social hour, and Mrs. Mary Russell will lead the devotions.

## Keshian, Craig Late Candidates For School Committee, Assessor

Two candidates "tossed their hats" into the Arlington political ring before Monday's deadline when Berg Keshian of Ridge street was certified as a candidate for school committee and John Craig of Beacon street was certified as a candidate for the assessor's post.

Keshian brings to five the number running for school committee. Others include Carl Allen, Mary Porteus, David Ashton, and Charles Kent. The latest candidate is a local businessman, 33, married, the father of two children, a graduate of Arlington high school. He started college twice, but was interrupted each time when he was called into service where he served with the Marines in World War II and the Korean conflict. He was a former town meeting member candidate.

John Craig, who will oppose William Hauser for the assessor's post is a long-time resident of Arlington, married, the father of five children, two girls and three boys. One boy is attending Boston College, another is studying in the seminary.

Craig is a college man and has been a candidate for a post on the housing authority and also as

town meeting member. Final tabulation of Town Meeting Member candidates is as follows:

## 5 Cars Collide; Two Pedestrians Hit By Cars

Two pedestrians were struck by cars and five cars collided on Mystic street during Tuesday's storm. Mrs. Esther Leret, 71, 1280A Mass. avenue, was taken to Symmes Hospital, Tuesday morning, after she was struck by a car operated by Ernest Mayhew, Jr.,

1281 Mass. avenue, as he was backing into a parking area at 1301 Mass. avenue. She was taken to Symmes for x-rays.

Joseph McMath, 63, 78 Webster street, was taken to Symmes Hospital, Tuesday noon after he was struck by a car operated by George Clark, U. S. S. Keppeler. McMath was getting off an MTA car at Franklin street when the car skidded into him.

Five cars collided at 8 a.m. Tuesday on Mystic street at Bev-

erly road. Involved were Joseph Dunn of Winchester, Alfred Martello of Burlington, Richard Bernat of Lowell, Ernest Gunyat of Malden, and Elizabeth McAvine of Lowell. All cars were inbound.

## Heart Fund Captains Named

Plans for the 1955 Heart Fund Campaign are progressing rapidly, according to Arlington Chairman Joseph P. Greeley. In his announcement Mr. Greeley said the following Captains have been appointed for the Arlington areas:

Mrs. Edward J. Mockler, Mrs. Charles E. Fiske, Mr. Charles J. Sheehan, Clarence A. Burke, Ray Palmer, John J. Tannian, Edward C. Regan, Fred Ripley, Hugh Mallon, Thomas F. Burns, Kenneth J. Cameron, and Francis X. McNamara.

### TWO AID COMMITTEE

Mrs. G. O. Salisbury and Mrs. D. C. Whitney of Arlington are on the committee planning the meeting of the Woman's Auxiliary to the Morgan Memorial, Friday, February 11, at 10:30 a.m. at the Church of All Nations.

One hundred smartly-uniformed cadets, members of the West Point Glee Club, will present a colorful program of choral music at Symphony Hall, Saturday evening, February 12th. It will be their first Boston appearance.

The precision-trained choraleers, as perfect in their singing technique as their marching technique, will be brought to Boston by The Chevrolet Dealers Association to raise money for Perkins Institution for the Blind in Watertown.

The famous Institution will use the funds for the training of teachers of the "Children of the Silent Night," children born blind, deaf, and mute.

Since there is a serious shortage of these teachers and because it takes two years to train one, John

Mirak, local chairman of the concert committee, and other members of The Chevrolet Dealers Association hope that the concert will also cause greater interest in the standing, nation-wide appeal of the Institution for qualified scholars.

The vocal group of the United States Military Academy has an outstanding reputation among collegiate singing clubs; and it has won acclaim throughout the country for its appearances on the Ed Sullivan TV show, "Toast of the Town."

Tickets may be purchased from Mirak (Chevrolet Inc., at 430 Mass. Avenue, Arlington, or at Symphony Hall, Boston.

## Legion Auxiliary To Hear Speakers On Pan-Americanism

Unit 39, American Legion Auxiliary is planning for its meeting Monday, February 7 a program on Americanism and Pan-Americanism. Mrs. Bertha Connor, Americanism chairman for the unit will have as her guest Mrs. Irma McCarthy of Lowell, District 5 Americanism chairman, while Mrs. Carrie Scribner, Pan-Americanism chairman will have Mrs. Barbara Murphy of Medford, Pan-Americanism chairman of District 5. The Pan-American country for this year is Panama.

**BRADSHAW GUILD MEETS**  
The Anna Bradshaw Guild of the Pleasant Street Congregational Church will meet Monday, February 7, to hear the Rev. Baldwin W. Callahan speak about the migrant problem in Massachusetts. Mr. Callahan is Chairman of the Committee on Migrant Work for the Massachusetts Council of Churches.

Dessert will be served before the meeting by members of the Churchill Group. The program will start at 2 p.m. with Mrs. James W. Daily presiding, and Mrs. Mary Russell as the devotional leader.

## Church Women Plan World Day Of Prayer

At an Executive Board meeting of United Church Women held in the First Baptist Church, January 28, plans for the World Day of Prayer, February 25 were presented by the chairman of the committee for the day, Mrs. W. A. K. Babcock. World Day of Prayer is observed around the world annually on the first Friday in Lent and the observance in Arlington is well established and well-attended.

It is hoped by those in charge that this year's plans will result in an even wider attendance than usual.

Instead of the usual afternoon service, this year, the service will begin at 11 a.m. at St. John's Church and conclude at 3 p.m. with a pause for a lunch at noon. The sanctuary will be open during the noon hour for the benefit of business people who wish to enter for prayer and meditation.

Mrs. Babcock's committee, comprised of one member from each of the eleven churches participating in United Church women of Arlington includes: Mrs. Albert Marryat, Mrs. William Wells, Mrs. Andrew Magnus, Mrs. Marion K. Pierce, Mrs. Arthur Birch, Mrs. Bruce Lawley, Mrs. George Allen, Miss Clara Wadleigh, Mrs. Sanford Lyons, Mrs. Lorimer Higgins, and Mrs. Even Svenson.

A special committee, with Miss Margaret Stoddard as chairman will plan for the observance of World Day of Prayer by children and youth.

Two filmstrips, "Together" and "Because Women Pray" were shown at the meeting of the board. The filmstrips are available for use in the various churches and it is hoped by the president Mrs. Earl Bolton that they will be used in preparation for World Day of Prayer.

## O'Briens Open Law Office

Attorneys William J. Margaret A., and John H. O'Brien today announced the opening of their law office at 319 Mass. Avenue for the general practice of law.

The three local attorneys are lifelong residents of Arlington and will practice under the firm name of O'Brien, O'Brien, and O'Brien.

William Jr. is a member of the Arlington School Committee and a past commander of Arlington Post 39 of the American Legion. His sister Margaret is a Town Meeting Member and active in several local women's organizations.

William's twin brother, John, is chairman of the Arlington Democratic Town Committee and chairman of the Town Meeting Members of precinct 3.

## Red Cross Appeal Starts March 1 Arlington Goal Set At \$14,000

Mr. G. Edward Wilkins and Miss Dorothy Greene co-chairmen of the Red Cross fund appeal in Arlington today announced the annual voluntary contributions will be taken up by volunteers starting March 1st.

The goal in Arlington is \$14,200 they said.

This figure was arrived at after careful study of the needs for Red Cross service locally, nationally and across the world.

The biggest share of funds will be used for services — at home and abroad — for servicemen, veterans and their families. Forty-one cents of each dollar is spent for them.

In this community, mothers, wives and children of servicemen have been given help in the form of emergency communications regarding family illnesses and deaths, help with government claims and referrals.

Personal problems have been eased through the counsel of trained Red Cross people.

At military stations around the world, Red Cross field directors are on duty to give service to men and women in uniform. Some are lonely, others have personal problems, some need the diversion of recreational programs. All who need help are given it in your name through the Red Cross.

The blood program financial needs come to 16 cents out of each donated dollar.

Considering how much a human life is worth, the services of the many people who make the blood program possible cannot be measured in dollars and cents.

Last year in Massachusetts the blood program cost the Red Cross \$500,000. Not a single recipient of 20,000 pints of blood from the

Red Cross was charged for the blood.

Disaster relief and preparedness takes 6 cents of each dollar — the dollars spent in bringing order out of the chaos in the lives of victims besieged by flood, fire and hurricane.

Other vital parts of the Red Cross dollar are used for health and safety programs such as free training in first aid, home care of the sick, water safety and mother and baby care classes; for Junior Red Cross activities; for planning

and administering Red Cross programs.

Less than five cents out of the dollar will be used to raise funds — the economical and efficient way in order that your donations will really work for you.

## Bridge-Food Sale At Unitarian Church

## Firemen, Police To Be Paid For Services Above And Beyond Duty

Last Thursday at the State House, George A. Harris, Chairman of the Board of Selectmen, Town Manager Edward C. Monahan and selectman Thomas R. Rawson, appeared before the Committee on Public Service on a bill regarding police and firemen overtime in emergencies.

Also present from Arlington were Patrolman Virgil Wagner and Firefighter Charles Doherty, representing the Police and Firemen of the town.

The bill, introduced by Mr. Harris through the Massachusetts Selectmen's Association where it received unanimous approval, was to allow regular police and firemen of towns and cities of the Commonwealth to be paid for services above and beyond regular duty in the two hurricane episodes of last year.

Various quirks in the state statutes bar some towns and cities from such emergency payments. The Harris bill unravels this and legalizes payments for services performed.

In his statement to the committee, Mr. Harris said, in part, "It

is most unjust to allow towns to pay many categories of workers overtime pay and yet, by another law, bar such payments to police and firemen. These men, who must always be considered as risking their lives should, at the very least, be on a par with all other town employees. We want more home rule, in this case, than the law allows."

Mr. Monahan then discussed the reimbursement to Arlington of such funds as referred to in the Harris bill, from state appropriated hurricane funds. He said, "One section of the state government says it can be reimbursed, another says it cannot. The Attorney General was asked for an opinion about October 15 and, so far, no reply has been forthcoming. The bill will justly answer our problem."

Mr. Rawson took the floor to back up Mr. Harris and Mr. Monahan, and explained to the committee how much loyal work had gone on for sixteen days which, in the case of many employees, ran to work days of fourteen hours each.

Several State Representatives including Representatives John P. Buckley and James R. Doncaster, and Senator Fred A. McDermott also favored the enactment of the bill which is House Bill 941; the Massachusetts Selectmen's Association, the State Police Association and State Firefighters Association also recorded as in favor. When the chairman of the committee asked for any opposition, none developed and the hearing was closed.

## "Today's Struggle" At Universalist Church

"Jesus was killed to silence his threatening truth," said the Rev. George J. W. Pennington, Pastor of the Universalist Church, in last Sunday's sermon, "Facts of the Life of Jesus." Three other facts in the Galilean life on which the sermon was structured were "righteousness and concern for persons were inseparable in the life of Jesus; Jesus' methods were those of sharing in an endeavor, not of pulling ahead alone; Jesus worked with the resources that were available to him."

The sermon to be delivered by Rev. Mr. Pennington this Sunday is entitled, "Instead of a Saber-tooth," the story of the struggle to be oriented to the present, with New Testament references, data from geology and a legend from anthropology.

Youth Week is being observed at the Park Avenue Congregational Church this week. The week long observance started last Sunday when members of the youth groups conducted the morning worship services at 8:30 and 11 o'clock. Participating in the services were: The call to worship, Beverly Barnhill; the responsive reading, Richard Beardsley; the scripture lesson, Alan McKenzie; the call to prayer, James Moore; the sermon, William D. Warnock; Bruce Fuller, Priscilla Williams; ushers, Frank Barnhill, Judith Taylor, Robert Lincoln, Constance Morrison; Acolytes, Lorraine Kistead, Everett Henderson. Music was provided by the Junior Choir, the Youth Choir, and a solo by Miss Marilyn Croft.

**SINGS ON RADIO**  
Marie Calerico, 163 Washington street, Arlington, was a featured singer on the "Musical Portraits" show broadcast over Station WVDA, Boston, Saturday. She sang several of the hit songs written by Walter Donaldson, who was saluted during the program. The show was broadcast directly from the Berklee School of Music, where Miss Calerico is a student. She will also be featured on future programs.

Youth Week plans include a full day next Saturday. One group will travel by bus to the Belknap Recreation Area in N. H. for a day of skiing and skating. Another group will attend a Splash Party in the evening. Members of Forum (Senior High group) will conduct a communion worship at their meeting Sunday night.  
Miss Margaret Stoddard, Director of Religious Education for the Church will conclude the observance of Youth Week by delivering the sermon at the morning worship services. Boy Scouts will be attending the 11 o'clock service in conjunction with the annual observance of Boy Scout Week. A portion of the 11 o'clock service will be devoted to the dedication of the new Youth Center next door to the Church. Following the dedication, the Center will be open for inspection until 1:30 and again from 3:30-4:30. The public is cordially invited to inspect this first completed project of the current Park Avenue Church Building Program.

**A NEW BRIGHAM'S & DOROTHY MURIEL'S**  
in Arlington Heights — corner of Mass. & Park Avenues

We're pleased to serve  
Arlington folks at our Brigham's Stores in Belmont and Winchester Center; at our Dorothy Muriel's Shops in Arlington Center, East Arlington and Belmont Center.

And we're delighted to add another Brigham's-Dorothy Muriel's Shop to the Arlington Area. We hope you are too. Come in and see us at your nearest shop, won't you?

If you can take your eyes off the tempting home-style baked goods and tantalizing butter-smooth chocolates long enough to look around, you'll discover BRIGHAM'S and DOROTHY MURIEL'S are shops that whisper "welcome".

It won't take you and your family long to find out how delicious DOROTHY MURIEL'S baked goods really are. They're made of the finest and freshest ingredients — and rushed to your DOROTHY MURIEL'S shop not once, but twice a day.

And how your family will relish BRIGHAM'S famous ice cream sodas, sundaes and frappes. That goes for BRIGHAM'S candies, too.

Come in and bring your family. Take home, for your enjoyment, some oven-fresh DOROTHY MURIEL'S delicacies . . . as well as BRIGHAM'S delicious ice cream and candy.

Attend Fair

The Arlington Junior Women's Club attended a performance of Sabrina Fair Friday evening, January 21. The play was held at the Leland Powers School, Inc., Boston, sponsored by the State Federation of Women's Clubs, Department of Junior Membership. Fourteen girls attended including Mary Mahoney, president, and Mrs. Grey Senior Advisor.

The last meeting of the club was held at Robbins Memorial Library, January 10. Guest speaker was Miss Landry from the YWCA. A board meeting was held at the home of Adele M. Bucknam, Publicity Chairman, Monday evening, January 17.

To Mr. and Mrs. William R. Woodland (Vera E. Wicks) of 21 James street, Arlington, a daughter named Diane Marie on January 23, at Symmes Arlington.

Woman's Club  
Hears Bush

Emily Henry Bush, as guest speaker, explained important aspects of foreign travel, and gave valuable information concerning luggage, clothes, currencies, means of transportation, customs, hotels, and how to take a trip on a very small budget at the woman's club meeting January 27.

A musical contribution by High School students consisted of a short concert prepared under the supervision of a master teacher, director of music at the public school.

Dorothy Jane Weston entertained with a soprano solo, "A heart in a tree" by Robyn, while Richard Boor, clarinet soloist, accompanied by Anon Kvar, played "vocalise" by Bassi.

The four selections by the orchestra which completed the concert were, "Grand March from Anna" by Verdi, "Kiss of Spring" by Koebe, "Two Guitars," a Gypsy folk song and "Snow white and the seven dwarfs" by Churchill.

Pianist, Guest Artist  
At Woman's Club

Mrs. John K. Berry, Jr., will preside at the next meeting of the Arlington Woman's Club to be held at the Robbins Memorial Town hall, Thursday, February 10 at 2 p.m.

Elsie Sears, accomplished pianist, as guest artist, will interpret famous composers through music in a unique musical lecture recital. Her word-portraits will be heightened with piano solos chosen from a varied repertoire.

Invited guests will include Mrs. David M. Small, president, Mass. State Federation of Women's Clubs, The Arlington Blind Chapter, sponsored by the Council of Protestant Church Women and the Menotomy Chapter of D.A.R.

An exhibit of Pewter in the Art Corners will be arranged by Mrs. William H. Dickson and members of the Art Committee.

Henry Ottoson  
Is Instructor

The Division of University Extension of the State Department of Education announces the appointment of A. Henry Ottoson, of Gray street, Arlington, as an instructor in the course "Day Camp Management" to be offered by the Division, beginning February 11 at Massachusetts Institute of Technology, at 7:30 p.m.

This is one of more than 100 courses to be offered this winter by the Division of University Extension which will begin its fourth year of serving the educational needs of adults in Massachusetts. Descriptive catalogs of the winter program may be obtained by writing the Division of University Extension, 200 Newbury street, Boston 16.

## More Bowlers Enter

The Bowling League of the Arlington Woman's Club has doubled its membership over that of last season. There are four teams identified as Teams 1, 2, 3 and 4. At the league's midseason meet Team 2 was leading in points with Mrs. Wiley A. McSorley, Jr., Captain of Team 2, posting the highest single string with 142.

The League meets each Tuesday at 1:00 p.m. at the Regent Bowling Tiles on Medford street. Mrs. James J. Murphy and Mrs. George W. Whitney are co-chairmen.

## NEWS Observations

Although there has been a lack of snow in this area during the month of January, the weather apparently has been as cold as it has been in the Town for several years. During recent years, probably ten or fifteen, the Town has been able to do some, and in many cases much, underground work during the winter months. However, this year because of the 12-15 inch frost accumulation no work could be handled if necessary, but in cold weather underground work generally proves to be more costly.

Continuing on the subject of cold weather, the Park Department has done its best to keep frozen areas free of snow of any kind and it has been suggested that a thin layer of water spread along ice surfaces from time to time would generally improve skating conditions.

Suggestions have been received locally relative to another problem concerning skating — the division of skating areas.

It seems that the selectmen have received complaints that the larger boys in the area are monopolizing space to play hockey,

thus forcing the younger boys off the ice surface.

The suggestion has been made that boards be placed on the ice separating skating areas.

The Town apparently is going back and using a system that was effective many years ago concerning work on defective lighting etc. At one time all complaints of "street lights out" were filed with the police station and the complaints were picked up daily by an Edison representative.

In recent years, however, the police accumulated these complaints and they were picked up periodically. The large number of street lights reported out in October, November and December of last year, 362, seem to have given officials reason to believe the old system would be more efficient.

Of interest is the number of children in the Town's two large housing projects, 480 in number. One project has 337 children, the second 143. Of the 480 some 418 are between the ages of 1 and under 9. The oldest is 15.

A bill, numbered 1736 in the House of Representatives intro-

duced by Newton Representative Rawson would seem of particular interest to school-building minded Arlington.

The purpose of the bill is for establishment of reasonable public standards in school buildings. Lorenz Muther of Newton originator of the bill idea states "it will throw off the expensive shackles of outmoded school requirements."

The question of the whistle or siren at the Highland Avenue Fire Station has been settled for the present at least.

The problem was resolved this week after some 60 residents signed a petition and presented it to the board.

The solution was that the whistle should be sounded only at noon each day instead of three times daily. It will also be used for no-school signals and emergency purposes.

## BIRTH

To Mr. and Mrs. Frank J. Fontain (Alma C. Wakeham) of 408 Highland Avenue, Winchester, a son named John David on January 20, at Symmes Arlington Hospital.

Mrs. Ursula F. McGlain, 17 Fayette Street, Beverly, recently announced the engagement of her daughter, Léona Frances to Marine Sgt. James R. Livingstone, son of Mr. and Mrs. David S. Livingstone, 93 Varnum Street, Arlington.

## Arlington High Seniors Pass Navy Exams

Six Arlington high seniors have received word that they successfully passed the mental examinations given as the preliminary step in selection of candidates for the Naval R.O.T.C. program. These aptitude tests were given all over the country, and thousands of high school and college students took them.

The successful Arlington boys were Robert Barney of 48 Arlmont Street; William Buckley of 14 Kensington Road; Frank Haurwitz of 46 Chandler Street; David Mackie of 44 Lakehill Avenue; Charles Plumer of 1031 Mass. Avenue; and Channing Zucker of 11 Endicott Road.

The next hurdle for the boys is the exacting physical examination which the Navy gives, and those who pass that will go before a selection committee composed of a naval officer, an educator, and a prominent civilian not allied with education. This committee will choose the Massachusetts boys who will participate in the program. Usually only one or two are chosen from any single high school.

For those yoblesses, the Navy pays tuition, cost of textbooks, and other college fees, and gives them a retainer fee of \$53 a month to help cover cost of board and room. In return, the student takes certain required naval science courses as part of his college training, and agrees to serve three years on active duty, plus another five years on either active or inactive status. Several Arlington graduates of previous years have been selected to receive the training offered.

## Mutual Life Considers New Purchasers

Having reduced insurance costs for existing policyholders, including 7,700 residents of Massachusetts, through a 28 percent increase in dividends for 1955 and a 115 per cent rise in the last five years, The Mutual Life Insurance Company of New York is giving comparable consideration to new purchasers of life insurance.

Foster S. Boothby, 22 Oldham Road, Arlington, Boston agency manager, announced today that Mutual of New York has brought out four new policies at low gross premium rates, "as improvements for new purchasers to match the record increase in dividends for old premium-paying policyholders." They added: "The low gross premiums recognize the principle that expenses are less per unit on policies sold in high average amounts."

Mr. Boothby said the new plans feature these improvements: (a), larger minimum "packages" (\$10,000 and \$5,000), for the business and professional markets; (b) introduction of a \$10,000-minimum Modified Term policy which calls for a lower gross premium in the first two years; (c) A Protective Policy, in amounts under \$5,000 featuring the automatic inclusion of double indemnity against accidental death; (d) more liberal options to change to limited payment life or endowment plans; (e) lower rates for the waiver of premium provision, which permits the policyholders to stop paying premiums without losing his insurance upon proof of total disability; (f) availability over a broad range of ages; (g) availability to rated as well as standard risks.

## CHRISTIAN SCIENCE

Man's universal right to spiritual growth and progress will be brought out in the Lesson-Sermon entitled "Spirit" at Christian Science services Sunday.

Scriptural selections to be read from the King James Version of the Bible will include the account of Philip's baptizing of the Ethiopian eunuch as recorded in Chapter 8 of The Acts of the Apostles.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selections will be among those read (241:27): "The baptism of Spirit, washing the body of all the impurities of flesh, signifies that the pure in heart see God and are approaching spiritual life and its demonstration."

The Golden Text is from I Corinthians (12:13): "By one Spirit are we all baptized into one body, whether we be Jews or Gentiles, whether we be bond or free."

## THE RIGHT TO VOTE

One of the points "played up" in newspapers and on radio and television since the advent of the Formosa crisis has been the request of approval by the President of his Congress of his decision. And played up it should have been for it served as an outstanding illustration, both at home and abroad, of one of the freedoms of the American way of life in action.

Many of us don't realize the value of these freedoms that we generally take for granted. For example last year only thirty-one percent of the Town's voting population went to the polls at Town Election time.

We mention voting, one of our No. 1 Freedoms, at a time still a month from Election Day because now is the time to start thinking about who you'll vote for and why. Now is the time to find out who's running for what office, why they are running, if possible, and how well they are qualified for that position. Don't wait till voting time and go to the polls "cold." Know your candidates.

And make sure you do vote, for voting is a privilege not enjoyed by many of the masses of the world today. For newcomers to the Town and for those who were not old enough to vote until this year, registration of voters will be held at the Town Clerk's office during regular business hours each day from 9 a.m. to 5 p.m. through February 15 and on specified days in several of the schools as listed on the front page of the NEWS.

Let's make that thirty-one percent line that appeared after last year's election "look sick" and turn out in number for this year's election; remember if you don't vote you have no "gripes" coming about the results.

## A NOTEWORTHY BIRTHDAY

We salute the Boy Scouts of America on its 45th birthday, now being observed during Boy Scout Week, February 6 to 12.

Since its founding in 1910 the organization has enriched the lives of over 22,750,000 boys and adult leaders. Truly Scouting represents a living cross section of American life.

Boys of every race, region and economic background are attracted to Scouting. Today we find 2,700,000 boys in its ranks. Add to that impressive figure the 960,000 adults of good character who give generously of their time and talents to serve as leaders of units, Merit Badge Counselors and in many other capacities. There is hardly an American family that has not

Dr. Arthur A. Schuck, the Chief Scout Executive, a leader in the organization since 1913, feels that it is of vital importance as they grow to manhood.

ance to train the boys of today to be ready for positions of "Strong character, participating citizenship and physical fitness," he says, are needs of our boys and young men who are served by the program of Scouting in cooperation with the home, the school, the church, and all other community institutions actively interested in training our future citizens."

Scouting's purpose, stated in the Federal Charter granted by Congress in 1916, is to promote the "ability of boys to do things for themselves and others, to train them in Scoutcraft, and to teach them patriotism, courage, self-reliance and kindred virtues."

Every member of the nation's 95,000 Scouting Units is indeed "having some kind of experience that is adding to his equipment to meet the problems of adult life"

It is that training that we heartily endorse on this noteworthy birthday.

## Roger Babson's Column

(Continued From Page One)

high blood pressure, weak hearts, etc.; but the real cause is worry. The average businessman must drive himself all day and go out with his wife or associates every night. The result is that without sleeping pills and asperin many concerns would be obliged to close up.

Investors ask me how is it that the stock of one concern listed on the Big Board has been constantly climbing each month the past year, while that of another in the same industry has not moved a point. The answer could probably be found by any doctor permitted to diagnose the head men. Some day, company directors who now spend so freely for financial audits will be willing to submit to their stockholders annual health reports on all their officials. I forecast that this will be the day when the stocks of many so-called "sleeping companies" will zoom upward.

### WHAT ABOUT ACCOUNTANTS?

Of course, I believe in the work of accountants; but has not much of this work become so routine and late that neither directors nor stockholders give much thought to audits? As a result, accountants are coming to be classed as "morticians." Formal audits can become mere "autopsies." I forecast that a great change is coming in this connection.

I believe in the importance of studying figures; but I am sure that the condition of the "two-legged" figures of a management are far more important to the stockholders than the "mathematical" figures. Some day there will be a great awakening along these lines. Men will be retired and pensioned according to their physical condition, rather than simply according to their age. Incidentally, I believe President Eisenhower's interest in better health could result in greater earnings for most companies and better wages for many employees.

### PROFITS VS. WORRIES

But the President should not be content to talk about health. Why not go to the root of the difficulty and talk about "stress," as does the author of this "Reader's Digest" article? Instead of spending billions of dollars opening new hospitals, the President could solve the problem by closing scores of needless Bureaus and Commissions. These are primarily the cause of the stress and worry which are bringing about the breakdown of executives, foremen, and especially employees being paid by "piece work."

Did you ever think why Jesus has been called "The Great Physician"? Have you noticed how very little is written in the Bible about illnesses? Very few accounts of Jesus' followers indicate that they died of any disease. Certainly — if they were not martyred — they lived to a very old age. The answer may be that they followed Jesus' constant teaching not to be too anxious for the things which the world seeks. Jesus taught that stress and worry are futile. Even 1500 years before that, Moses gave some good health advice in the Tenth Commandment. See Exodus, Chapter 20, Verse 17.

## Doctors On Road To Solution Of Rheumatoid Arthritis Problem

An Arlington youngster, referred for treatment at the age of 3 1-2 is among 43 children who have received help from a study of the emotional problems of children with rheumatoid arthritis for the past two years on a grant of \$14,000 from the Massachusetts Arthritis and Rheumatism Foundation, it was announced by Mrs. Sidney Simons, Chairman of the Arthritis Foundation. These children attend Mass. General Hospital conferences in the Child Psychiatry Division, under the direction of Dr. Gaston E. Blom.

Psychiatrists and social workers are helping children with arthritis and their families to build their lives upon the stable foundations of hope for the future, and the desire to make the most of life in spite of their illness. The pilot study supported by the Arthritis Foundation attempts to study such problems as: how children view their illness, their reactions to hospitalization, the emotional factors related to the time of the onset of the illness, the personal characteristics of both child and parents and the effects of psychotherapy.

What sort of a chance does a child have in life when he becomes crippled before adolescence with rheumatoid arthritis? How else can he come to having a normal development, to grow to adulthood without bitterness — in fact, to reach adulthood at all? How can a child who suffers from painful, swollen joints, and partial paralysis come to believe that there is any sense of fairness in the world, when he sees himself cut off from the normal activities — jumping rope, playing baseball, going swimming and dancing with the gang — that his healthy brothers and sisters enjoy? And don't these healthy brothers and sisters sometimes feel guilty, because of their normal development, when they see one of their family robbed of it?

Fortunately, children who have rheumatoid arthritis, and their families do not have to face these problems alone. They have the aid of the best of doctors and research scientists, searching desperately for the unknown cause and cure, as part of the program of the Arthritis and Rheumatism Foundation.

To Mr. and Mrs. Alfred P. Williams, Jr. (Jeanette M. Leonard) of 3 Donald Street, Lexington, a daughter named Patricia on January 20, at Symmes Arlington Hospital.

With encouragement, both Emily's and his family's attitudes began to change. The mother learned to treat him like a growing boy instead of an invalid. She learned that it didn't help Emily for her to be a martyr to his every demand, and that all her emotional energy had been wrapped up in the boy. Now Emily's father and mother have become closer. Some relatives have become interested in him, and given him an ego ideal to help him.

In addition to financing this study, the Arthritis and Rheumatism Foundation has helped to establish 17 specialized clinics in Massachusetts and supports basic research, medical training and education of the public.

Second Lt. Clark W. Ginder, 24 Gould road, Arlington, completed the Signal Corps Officers Basic Course, at The Signal School at Fort Monmouth on January 26. He entered the service in October, 1954, and was sent to The Signal School, to receive basic training in the duties and responsibilities of Company Grade Signal Officers, prior to joining a Field Unit.

The first four weeks of the nineteen week course, was devoted to field training, during which officers participated in such subcourses as Battle indoctrination, Bayonet Training, Hand-to-Hand Combat, Methods of Instruction, Military Leadership and Physical Conditioning.

Upon completing this part of the course, officers were given thorough training in technical subjects. This fifteen week phase consisted of instruction necessary to prepare graduates to assume duties of Radio Officer, Telephone and Teletype Officer, Message Center Officer or Signal Supply Officer.

The final phase of technical instructions took place in the field. Here students had an opportunity to install communication systems and operate them under simulated combat conditions.
